Wekemnayon Village Welcomes You to the Upcoming Camporee

We welcome all Scouts and Scouters to the upcoming Camporee. In our first camporee in many years we have put together a program that will demonstrate their outdoor skills, preparedness for the unexpected, team work, and quick thinking by the patrols and their leaders.

Scouting endeavors to teach us many skills to prepare Scouts for life. This year's Camporee will again test one's individual and team skills. Thinking through the challenges that face us and coming up with good solutions are vital to taking care of ourselves outdoors, especially when we must get out of a difficult situation.

Archery and Rifle Range Requirements

- Just like summer camp, all participants must bring signed copies of the GGAC [Firearms Permission form](#) in order to participate in shooting sports events.
- Bring at least three signed forms for each Scout. One set for the archery range, one set for the rifle range, and each Scout must have one form with them to be allowed to participate.

- The Range Safety Officers have the final say on all matters at the range.

Medical Forms

- All participants and guests should have the [Annual Health and Medical Record \(Parts A & B\)](#) filled out and brought to camp. This also includes copies of the individual's insurance card, and optionally a copy of the individual's Covid-19 vaccination and booster record.
- The Medical Officer for the event will usually ask that copies of the medical forms be turned in on check-in and if so they will be kept in the camp medical office and returned on unit check-out.

- Indoor accommodations are discouraged except for those who require specific medical needs such as CPAP machines, or who are unable to sleep in a tent.

2023 Mythological Camporee Camporee Staffing

We are asking each troop or crew to recommend 3-6 Scouts to serve as Camporee Staff (preferably members of the Order of the Arrow and/or older Scouts with camporee experience that are first class or above) as well as two (2) Assistant Scoutmasters.

Scoutmasters, please encourage your senior members to be on staff. They can sign up by just filling out this form <https://forms.gle/trq36chammj1E5jv6> . It is now their turn to give back to our district's featured Boy Scout activity. Service hours may be earned for scout advancement for helping in a District Event.

We need a large number of staff members to facilitate the number of patrols and Scouts participating in all of the patrol events -- your support on this will be appreciated.

Camporee staff will register for camporee with their units -- exception is Venturers age 18-20 or non-Scouters (age 21+) may register as individuals if they are not camping with their unit and serving as troop leaders during camporee.

Scoutmaster, please fill out the form on the next page and email it to the Wekemnayon Village Advisor: Laura Hoffman at: WekemnayonAdviser@yerbabuena.ggacbsa.org and the Wekemnayon Village Chief: Ruthann Pehl at WekemnayonChief@yerbabuena.ggacbsa.org.
